## COMPLIMENTARY PARKING FOR CIHQ

Thank you so much for the opportunity to serve you at the Marriott Dallas Allen & Watters Creek Convention Center. Our property utilizes a mobile device payment system for parking, which allows parkers the convenience of paying for their parking on their phone and not wait in line at a gate when departing the garage. In order for them to receive the discounted rate we have agreed upon, it is important that they follow the instructions below when they arrive at the property, which are also posted on signs throughout the parking lot.

*Should they neglect to register their car prior to leaving the parking garage (per the instructions below), they will be sent a violation notice and charged additional fees.*

### **Text D2 to 214-466-2159**

You will receive a link where they can select either **Day Parking** over **Overnight Parking**.

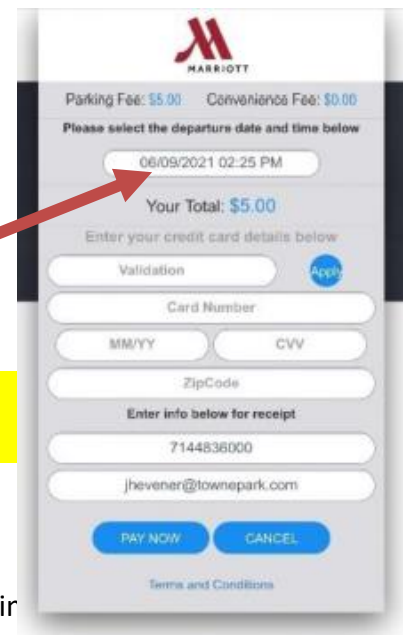

#### **Day Parking** (non-overnight guest):

1. Complete the required fields including name, license plate, and mobile #
2. The next screen will prompt them for departure date (same day) and time (time can be estimated). If Day Parkers are traveling to the hotel over multiple days, they will need to register their license plate each day.
3. On this screen, there is a space to enter a validation code. Enter the code provided below. (See example to the right.)

**Your parking validation code is: C88DAC28**

#### **Overnight Parking:**

1. Complete the required fields including name, license plate, departure date/tir
2. Your parking charges will be added to your guest room reservation.
